Safety tips

Vancouver, is a very safe place to visit or live but keeping a smart lookout while venturing around the city is key.

- Stay in well-lit areas. Walk midpoint between curbs and buildings, try to keep from using alleys or less traveled routes between buildings, and avoid bushes.
- Stay near people and avoid taking short cuts alone through vacant lots and other deserted places.
- Carry only necessary cards and money.
- Walk with someone else whenever possible and set up a buddy system with your friends.
- Do not jog alone late at night or walk through the trails alone.
